The campsite has a large play area with bouncy castles, a playing field, moon cars, mini-golf, table tennis, beach volleyball, a site for bonfires and several more for barbecues. You can go hiking in the beautiful Ålbæk Klitplantage, a dune plantation, or visit Råbjerg Mile - a huge sand dune and major tourist destination. And you mustn't forget Skagen - Denmark's northernmost town is just 20km from the campsite - and in Skagen you can find everything from wonderful restaurants and fascinating shops to museums featuring famous Skagen artists' works.
